

a fine balance

If it's the relaxed feel of a classic kitchen coupled with clean lines and contemporary tones that appeals, then you'll love the Modern Shaker SM4020. Offering the best of both worlds, its fresh take on traditional tongue-and-groove panelling and dresser unit combine with a Mouse Grey matt lacquer finish and cool granite for a sophisticated look. The setting is complete with a lower-level dining area for casual meals while simple tableware, stainless steel accents and sea urchin-like pendants enhance the chic scheme. Expect to pay from £190 for a 60cm base unit, at Neil Lerner. Tel: 020 7433 0705. www.neillerner.com
